

THE  
COUNT  
DOWN  
HAS BEGUN

In meeting the challenges of an increasingly complex global society, universities have a critical role to play. It's a responsibility Syracuse University meets head-on, with a belief in higher education as a shaper of minds...a creator of citizens...a birthplace of ideas...an inciter of change.

Mark your calendar for the afternoon and early evening of November 2—the day we launch the most ambitious capital campaign in SU's history. Celebrate the significance of our past. See *Scholarship in Action* today. Hear our vision for the future. And join us as we set our sights on a bold new horizon.
